Ahmed Samy Gouda

Aspiring Data Analyst

ahmed.samy.works@gmail.com • 01063046374 • Zagazig, Sharqia, Egypt LinkedIn

---

Profile

Computer Science – Artificial Intelligence student with hands-on experience in Power BI and Excel through data analysis and dashboard projects. Skilled in DAX, data visualization, and data cleaning. Seeking a Data Analyst internship to apply analytical skills to real-world business problems.

Education

Bachelor's Degree in Computer Science - Artificial Intelligence at Zagazig **September 2025 - June 2028**
National University, Zagazig , Sharqia, Egypt

Skills

Microsoft Power Bi: Dashboards, data visualization, KPI analysis

Microsoft Excel: Data analysis, Pivot Tables, dashboards

DAX: Measures and calculations for Power BI

Data Analysis: Data cleaning, exploratory analysis, business insights

Data Visualization: Charts and interactive visual reports

Volunteering

Volunteer at Sana'a El Hayah (Life Makers), Sharkia, Egypt **June 2026 - Present**

Participated in community campaigns and field caravans, supporting event organization, community-service activities, and on-ground operations.

Projects

Kickstarter Projects Analysis Dashboard

Developed an interactive Power BI dashboard to analyze successful and failed Kickstarter projects. Created DAX measures and KPIs to evaluate funding, backers, and project outcomes.

Adidas Sales Analysis Dashboard

Built an interactive Power BI dashboard using 9,641 sales records to analyze sales and profit across products, retailers, and regions. Created KPI cards, DAX measures, visualizations, and interactive filters.

Sales Analytics Dashboard

Developed an Excel sales dashboard using a 128-record dataset to analyze sales, profit, segments, countries, and monthly performance. Used data analysis and dashboard visualizations to present business insights.
